Description

ULTRA Render Remover can solve the difficult problems associated with cleaning hard set cement, render mortar, and more. ULTRA Render Remover is an environmentally friendly cleaning compound, designed specifically to remove dry build-up and stains from a variety of substrates, with a safe approach. The chemical reaction does the work for you. Safe to use on all washable surfaces.

Uses

Suitable for use on almost all surfaces including;

- Concrete
- Brickwork
- Tiles
- Glass
- Hand tools
- Cars
- And much more

Application

Just spray ULTRA Render Remover onto the affected area, allow to penetrate (5 mins +), wipe away with a damp cloth and polish with a dry cloth (if needed).

ULTRA Render Remover is concentrated and can be diluted with water for lightly soiled surfaces.

Packaging

500 ml spray bottle

Safety and Handling

Refer to Material Safety data sheet and warranty document before use

- Avoid inhalation of the vapour, prolonged skin contact and particularly eye contact
- Wear protective clothing to minimize skin contact and wear goggles where splatter is likely
- Where spills occur, soak up liquid spillage with sand/sawdust and dispose of in a sensible manner. Do not permit run-off to sewer, storm water or open bodies of water
- **Storage:** Store away from food and drink and in a safe place
